CODE BASICS

CERTIFICATE

of Completion

Bokkena Harsha Teja

Learned deep learning concepts, including neural networks, CNNs, RNNs, and transformers.
Built real-world projects using PyTorch and passed the exam with more than 70% score.

Course Name

Deep Learning: Beginner to Advanced

Lecture Hours: 13:10:01 *Estimated Practice Hours:* 20

Date : Jan 01, 2026 *GUID:* CB-85-611984
